

ST. ANTHONY'S BREAD

The practice of giving alms in honor of St. Anthony originated way back in the 13th century. For many devoted to the saint of Padua, St. Anthony's Bread, as it has become known, is a means of ministering to the poor and disadvantaged.

St. Anthony's Bread is a term given to the offerings made in thanksgiving to God for blessings received through the Prayers of St. Anthony. Your generous gifts will enable the Franciscans of the Holy Land to feed the poor and, at the same time, to pay special tribute to St. Anthony, who dedicated so much of his life to the poorest and neediest among us. The Church and the Franciscan Order encourage you to participate in this act of charity and to assist those preparing for religious life.

St. Anthony is among the most beloved and admired saints in the Church. His faith and dedication are reflected in our values of trust, respect, dignity, responsibility and excellence.
